

# Never

Frank Pirrone

*C/G*  
I never thought that I  
*B7*  
Would ever feel this way,  
*Am7*  
If we should say goodbye  
*G/D*  
And go two separate ways,  
*FMaj7*  
But I'm just sitting here  
*E7*  
In some strange kind of daze  
*Dm* *C*  
Trying to figure out why.

*C/D*  
I never knew that there  
*B7*  
Was something going on,  
*Am7*  
That I would miss so much  
*G/D*  
If we should move along,  
*FMaj7*  
But I'm just sitting here  
*E7*  
Working on this pointless song  
*Dm* *C*  
Trying to deal with that lie.

## bridge

*F* *G7* *C*  
When did that ordinary feeling  
*F* *G7* *C*  
Turn to something that I didn't see?  
*D7*  
When did that shit that I was dealing  
*Gm7* *G7aug5*  
Come back and make a fool of me?

*C/D*  
I never wondered if  
*B7*  
There was more that we could be,  
*Am7*  
It didn't strike me that

*G/D*

---

You meant that much to me,

*FMaj7*

So I'll keep working here

*E7*

'till it's something I can see

*Dm*

*C*

Trying to keep the paper dry.
